

Software Documentation

[Contents](#) [Previous](#) [Next](#)

Extensive CDAT documentation, including tutorials, examples, and additional module documentation, can be found at:

- <http://www-pcmdi.llnl.gov/software-portal/cdat/>

New CDAT users should start with the "Climate Data Analysis Tools (CDAT): A Beginner's Guide" document.

For Python documentation and support, please visit the Python home page at: <http://www.python.org>
